Who are *For The Love Creations*?

For The Love Creations take vintage, dated and disused furniture and save them from becoming landfill. Using environmentally friendly paints they breathe new life and beauty into old furniture. Their studio workspace and shop will be open. Short demonstrations will be held throughout the day. Sign up for a workshop (or cross your fingers when you enter the prize draw) and create your own personalised designs to suit your home.

The prize draws sound most enticing. One draw is for a 1L tin of [Autentico Chalk Paint](#) (\$59.95 value) and another for a class in [Creative DIY Painting Summer Socials](#) (valued at \$120-\$180 and held in November). The third prize draw is to win an hour with an Organising/De-clutter Expert.

At *For the Love Creations* they love bargains, reusing and recycling. They love meeting like minded people and will be only too happy to help you.

What is Garage Sale Trail?
